About us

J&K is the trusted name for professionals and homeowners who demand power, dependability and longevity from their outdoor power equipment. J&K has led the industry through invention and innovation, developing technology that delivers performance, comfort and higher fuel efficiency. From our legendary chain saws to our lines of trimmers, blowers, and more, each piece of equipment is built with unwavering standards that have made J&K the premium name in outdoor power equipment.

Yongkang J And K industry & Trading Co., Ltd. is one of the three manufacturing facilities of J&K Group, Yongkang J And K industry & Trading Co., Ltd. covers an area over 100 acres with 1 million square feet of manufacturing and warehouse spaces. Yongkang J And K industry & Trading Co., Ltd. employs over 1,600 people nationwide in a variety of positions from product assembly, manufacturing engineering, sale and marketing, to finance.

Chain saws and brush cutters are the cornerstone of our industry. Today, we have also manufactured a variety of handheld outdoor power equipment. Most of our products have passed CE, GS, EPA, EMC and other international well-known certifications.

BACK PACK SERIES

JK62
BACK PACK SERIES

2.3M-4.5M REMOVABLE QUICK PRUNING

New design, compact appearance, light weight, low fuel consumption and high power.
 Engine weight is 50% lower than same power 43cc machine
 Engine power is 30% higher than same weight 26cc machine
 Fuel consumption is 30% lower than 43mm machine
 cylinder is top placed, so engine burns more fully.
 Can be used with a variety of working heads

POWER EQUIPMENT

BRUSH CUTTER

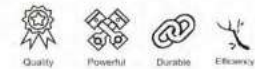

MULTI FUNCTIONAL HIGH BRANCH POLE SAW

High quality multi-function high branch saw, small size, light weight, convenient operation, suitable for efficient and flexible mowing on steep slopes.

Technical Specification

JK34

Power Source	Two Strokes
Displacement	34cc
Engine Power	0.75kw
Fuel capacity	550ML
Oil Volume	260ML
Idle speed	3200±200rpm
Bar cutting	12"/30cm
Chain type	0.325/0.058
Fuel Ratio	25:1
Net Weight	8.3kg

07 Telescope Shaft

06 Quick connection

12

kinds of heads

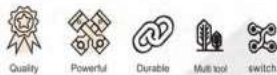

Technical Specification

JK430/520

Power Source	Two Strokes
Displacement	41.5CC
Power	1.25KW
Fuel Capacity	1200ML
Mowing Diameter	430MM
Blade Type	3T/255MM
Net Product Weight	7.0KG
Fuel Ratio	25:1

POWER EQUIPMENT

BRUSH CUTTER

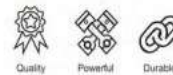

MULTI-PURPOSE 12 IN 1 WORK HEAD

Anti-tangle working head MOWS more smoothly. Super easy to start the system responds when it's pulled. The heat dissipation connecting disk can work for a long time without burning.
