About US

Our company has been focusing on the production of ceiling fan for 15 years, possessing new generation equipment and core technology, and deeply cultivating quality and innovation. The product is more environmentally friendly and energy-saving, has undergone rigorous quality and lifespan testing, holds multiple patents, and launches new products monthly.

Fully qualified and globally recognized: with international standard patented design and performance, as well as SGS report, European CE/ERP, American UL, Southeast Asian CB certification, etc., our products are exported to more than 40 countries on 6 continents.

We provide OEM/ODM services, support customization of appearance and logo, and provide customers with high-quality cooperation experience through industry-leading consultation response and after-sales efficiency.

Company Certified

Overseas Warehouse

We have warehouses and teams in the USA. We can make drop-shipping for you!
Also we have a perfect after-sales team, so you don't have to worry about after-sales problems!
