Retoucher Team

Proficient in image editing software such as Photoshop, Lightroom, and Illustrator, with professional color correction skills, we meticulously handle every detail to ensure that the delivered images maintain a consistent quality and brand tone.

Service Philosophy

Based on the premise of honest cooperation

We uphold a sincere attitude and provide high-value visual services to every client, regardless of the number of times we collaborate. Only mutual trust can ensure a more lasting and stable partnership.

Professional techniques ensure quality

Our studio is like our home, where every member can find joy in her or his work, enabling us to produce more high- quality works. Professional skills are the foundation, while passion and dedication are the guarantee.

The cooperation experience is smooth and efficient

We not only prioritize technical optimization but also focus on customer experience . Our consistent commitment is to shoot first and pay later, with no charge if you are not satisfied. Your satisfaction is our honor.

Strengths and features

Professional equipment and technical team

We equipped with Nikon series high-end DSLR cameras, professional studio flash and 900 square meters of professional on-location studio. Besides, 8 experienced senior photographers with diverse shooting plans tailored for different products, ensures efficient image output. We are enthusiastic and have a better understanding through long-term cooperation.

Customized shooting plan

We have fixed standards for regular shooting. For customers with special requirements, we can provide more support, such as creative shooting plans, special scene arrangements, special prop combinations, special lighting to create an atmosphere, professional post-production refinements, and other services to make the value of the work beyond imagination.

Efficient post-processing system

Utilizing genuine Photoshop editing tools and AI assistance, we establish standardized shooting schemes and post-production editing processes to ensure that every delivery is of exquisite and flawless quality. In order to maintain stable cooperation, we must continuously produce more high-quality portfolio samples.

High-end still life photography case

Creative shooting in studio

We created a fragrant series of scenes for the aromatherapy brand Guokai, which were used as the main poster images, resulting in a 40% increase in click-through rates on e-commerce platforms and a significant increase in sales.

High-end luxury custom photography

For the creative poster shoot for S.T. Dupont, we strictly controlled the details of both the pre-production and post-production stages based on the artistic characteristics.

Exquisite outdoor photography

Based on the product's usage scenarios, we carefully select matching scene environments for creative photography, creating a strong visual impact. The image material has been adopted by the brand's official website homepage.
