

Declaration of conformity according to REACH and RoHS

This declaration is valid for the following products: Multiface®, Multi-EP, Multi-PEPP, MA-UNI-0.6, WBA glue, MU glue.

REACH conformity:

We hereby confirm that all raw materials, packaging and finished products used comply with the current standards of the European Union. Our products meet the requirements of Directive (EC) No. 1907/2006 (REACH) and do not contain any SVHC substances in quantities of more than 0.1% by weight according to Article 59 / Annex XV (candidate list, issued by the ECHA, Issue date 04.02.2026) of the REACH regulation EG 1907/2006.

RoHS conformity:

We hereby confirm that all products comply with Directive 2002/95 / EC ("RoHS1") of the European Parliament and the Council of January 27, 2003 and the revised version 2011/65 / EU ("RoHS2") of June 8, 2011 as well as the revision 2015/863 / EU ("RoHS3") on the restriction of the use of certain hazardous substances (valid from July 22, 2019). These are specifically the following substances:

- Lead (Pb)
- Cadmium (Cd)
- Hexavalent Chrome (Cr)
- Mercury (Hg)
- Bromine-containing flame retardants (PBB, PBDE), DecaBDE
- Butyl benzyl phthalate (BBP), di (2-ethylhexyl) phthalate (DEHP), diisobutyl phthalate (DIBP), dibutyl phthalate (DBP)
- bisphenol A (BPA)

Not restricted according to the regulation (EU) 2020/1149:

The products have a diisocyanate monomer content of less than 0.1 % and therefore are not subject to the restrictions according to Regulation (EU) 2020/1149. A training obligation is not necessary.

Prohibited Chemicals Regulation – ChemVerbotsV (amended 13.02.2024):

No ingredients are used that are affected by the ChemVerbotsV, particularly:

- Chlorine
- CFC, CHC
- Formaldehyde
- PCB, PCT (polychlorinated biphenyls / terphenyls)
- Dimethyl fumarate (2009/251 / EC)
- Organotin compounds (DBT, DOT) 2009/425 / EG
- Penta- and octabromodiphenyl ethers (Directive 2003/11 / EC)
- PAH polycyclic aromatic hydrocarbons (Directive 2005/69 / EG)
- PFOS, PFOA (Directive 2006/122 / EC)

Products with CMR-free components:

We confirm that our products are free from CMR substances in accordance with Regulation (EC) No. 1272/2009.

After a current inquiry with our suppliers, we confirm that our products meet these requirements.

We also do not include a silica gel packet in our packaging.

In accordance with our legal obligation, we will inform you in future as soon as a substance of particularly high concern should be used in the manufacture of our products.

Straubing, March, 20th, 2026
